

If a spouse dies, same-sex couples face inheritance taxes. Opposite-sex couples do not. This invidious distinction is especially burdensome to elderly couples on fixed incomes. *Equality before the law* means all couples should have the same inheritance rules.

Same-sex couples pay the same Social Security taxes as opposite-sex couples. Social Security benefits only transfer to a surviving spouse if the spouse was in an opposite-sex marriage. *Equality before the law* means everyone has the same Social Security rules.

If an opposite-sex couple become married, a noncitizen in the couple has no fear of deportation as an illegal alien. Same-sex couples that include a noncitizen must fear the noncitizen's deportation. *Equality before the law* means everyone has the same immigration rules.

From the Chair

The purpose of our organization is to enlighten the world about the original principles that our country was founded upon: Freedom and Liberty for all without governmental oppression. We seem to have gone astray from our founding fathers' vision. Today's society needs to be enlightened as to our own ability to control our destiny: That without governmental control, you can survive and flourish, that you have the ability to think for yourself, and that your hard earned dollars should be yours to do with as you please. With our organization we hope to assist those with libertarian principles and goals in getting elected, educating the public, and fostering the idea of liberty for all and *equality under the law*.

I wish to thank the members of Liberty for Massachusetts for electing me as our first Chair. I hope to achieve our goal of educating the public about our objectives.

A New Dawn For Freedom Libertarianism on Gay Marriage

Our message to Lesbian, Gay, Bisexual,
Transgendered, and Polyamorous New
Englanders is that Libertarianism is
the natural home of the entire LGBTP
community. Libertarians support *equality
before the law* for all LGBTP people,
including marriage equality.

Libertarians believe that government
should be minimized. But when our
government is active, there should be
equality before the law for all Americans.
There should not be one rule of law for
some Americans, and a different rule of
law for other Americans. That is not
equality before the law.

Most Libertarians support opening the
government institution of marriage to
same-sex couples. It is none of Congress's
business who you choose to marry. The
reality of modern America is that the
government gives hundreds of privileges to
people with government-issued marriage
licenses. Those privileges are not available
to people who are not legally married.
Those privileges cannot be achieved by
other means, even if you are willing to
spend tens of thousands of dollars on
Attorney's fees. For example:
